

CONICAL STRUCTURES

SMART, SAFE, DURABLE

Conical structures can be used for a wide variety of applications. From outdoor dining to school quadrangles to port cochere entry covers.

Wherever maximum impact and attention is desired a conical structure is eye catching and practical at the same time.

From 16m² to 800m², Shade to Order has manufactured conical structures around the country and in many overseas locations. We have the experience and know how to tailor a structure to suit your specific needs

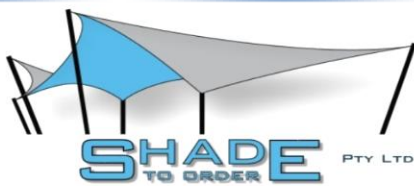

Shade to Order structures are an investment that will repay the customer with years and years of trouble free service. Fully warranted for up to 20 years with a design life of over 25 years, they are built to last.
